Minutes of the Club Member's Meeting

April 7th, 2021

(Meeting held at the Catapult Building in Lakeland)

Minutes of the LRPC Membership Meeting are submitted in "Draft Form Only" and shall not become part of the Club record until approval by the LRPC Membership at the next meeting.

Opening: President Joe Ruth called the meeting to order at 5:30 p.m. and led the Pledge of Allegiance.

Attendance: 26 Members and 4 Guests were in attendance. A quorum of 5% of the membership was established.

Minutes: The March 3, 2021 Membership Meeting minutes were presented by Pres. Ruth for approval. A motion was made, seconded, and passed unanimously to approve the minutes.

Membership: Having completed the Blue Card process, the following prospective members were presented to the Club: Rick Battaglia, Michael Bruns, Michael "Ron" O'Connor and Thomas Oakes. Provisional members Richard Baker, Michael Brossart and William Pardell, Jr. were also introduced. A motion was made, seconded, and passed unanimously to approve all for membership.

Club's Business Reports

Treasurer's Report: Treas. Griffiths reviewed the Club's end of February financial figures and is looking into an additional forgivable loan driven by the pandemic.

The details of the Treasurer's Financial Summary reports are posted for Membership viewing at the Clubhouse.

Repairs, Maintenance, and Planning: Grounds Keeper Coleman reported that due to a scheduling conflict with the Pistol Match, the work party originally scheduled for April 10th has been rescheduled for April 17th. The work party will focus on pressure washing several Club structures and installing PVC target frame sleeves on the Training Range. Members and prospective members signing up to participate are asked to bring their personal pressure washer, if they own one.

Gary thanked all who have helped to date with the Training Range project. Particular recognition goes out to Jack Martin, Bill Miller, Tom Steffes and Lester Witman, each having spent many hours working on the project. The sod has been laid on the Training Range and is being "watered in". The range should be ready to reopen in a few weeks once the sod is established and the target frame holder sleeves installed.

The new tractor has been ordered and is scheduled to be delivered during the third week of April. The final purchase price, including tax, is just over \$36,000.

Gun Show: No report

Advertising: Treas. Griffiths reported that there will be no changes in the advertising strategy for the next show and the contract for the billboards will be signed in a few days.

Safety: Safety Chair. Keefer reported that several safety issues and rule violations had either been observed, or discovered, since the last membership meeting. It is suspected that someone had been shooting at glass bottles when several glass pieces were discovered on the 50-yard Range. There were two accidental discharges during the last Pistol Match. One was a discharge before the command to fire was given, and after an investigation, it was determined that the second was the result of a shooter loading 6 rounds during the last string of fire rather than 5. A member was observed shooting multiple shots at clay birds with a tactical type shotgun. This is a violation of the rule that shotguns are never to be loaded with more than two rounds. Targets were discovered on the shotgun patterning board with centerfire bullet holes. The patterning board is for shot only. Single projectiles are not allowed. More golf balls have been discovered on Club property and appear to have been used as targets.

Shooting Reports

Pistol: Dir. Keefer reported that the next pistol match is scheduled for April 10th. The course of fire will be silhouette and paper pins.

Rifle Benchrest: Pres. Ruth reported that the last match of the Syversen season was held on March 20th. The monthly .22 LR Summer Fun matches will begin on April 17th. The benchrest matches have realized a profit to the Club of approximately \$1,000 for the year.

Shotgun: Dir Gantz reported that 5 Stand competition will be completed this Thursday evening. There will be a fun shoot the following week. Trap was scheduled to be the next event in the 10-week rotation, however, the need to close the Trap Range for several days during the installation of the new Trap house roofs interferes with this rotation schedule. The Shotgun League members took a vote and elected to repeat the 5 Stand competition.

Youth Program: Dir Grimes reported that the last Youth Program on April 3rd went very well. Youth shooter, Emma Jean Stanton, placed first in the Air Rifle Competition at the Florida State Junior Olympics and is eligible to compete in the national matches being held in Michigan. A motion was made, seconded, and passed unanimously to contribute \$500 to help with the expenses for Emma Jean to compete in the national matches.

Old Business: Pre. Ruth announced that the Club's waiver program is now in effect. Members are to now have their guests sign a waiver form. This is a one-time requirement and applies to both shooting and non-shooting guests. Guests need not fill out a new form each time they shoot or visit the Club. The waiver forms are available in each range log book. Completed forms are to be turned in to the Administrator's Office.

New Business: No new business was on the agenda or introduced.

Meeting Adjournment: With no additional agenda items to cover, or topics introduced, a motion was made, seconded, and unanimously approved to adjourn the meeting at 5:54 pm.

Respectfully submitted,

Paul Thielen / Secretary

Minutes of the Board of Directors Meeting

April 21st, 2021

Minutes of the LRPC Board of Directors meeting are submitted in "Draft Form Only" and shall not become part of the Club record until approval by the LRPC Board.

Meeting Opening: The meeting was called to order by President Ruth at 7:05 pm.

Members in Attendance: **President** Joe Ruth; **VP** Bob Drake; **IPP** Jack Schubert; **Secretary** Paul Thielen; **Treasurer** David Griffiths; **Directors** Allen Keefer, Lash McCall, George Kloiber, Lester Witman, Bob Grimes, Charles Knight, Gene Hillman, Peter Gantz; and **Groundskeeper** Gary Coleman

Gun Show Chairman Bolger and Dir. Stanton were absent.

Guests: Member Bill House

Approval of Meeting Minutes: Minutes of the March 17, 2021 Board meeting were presented by Pres. Ruth for approval. A motion was made, seconded, and passed unanimously to approve the minutes.

Membership: A motion was made, seconded, and passed unanimously to issue Blue Cards to prospective members Justin Bivens, Rick Galster and Carlos Martinez.

Having completed the Blue Card requirements, a motion was made, seconded, and passed unanimously to grant provisional membership to Andrzej "Andy" Ballin, Deane Hart and Ramon Recto.

A motion was made, seconded, and passed unanimously to reinstate membership to Joshua Zarandona.

Sec. Thielen reported that there are currently 325 active club members. Thirty-nine members did not renew their membership for 2021-2022. Thirty new members joined the club in the last twelve months, and there are currently 38 prospective members working on Blue Cards.

The Club's Safety Course, Orientation, and Written Exam have been updated to include the 'no more than two rounds' loading rule for shotguns.

Treasurer's Report: Treas. Griffiths reviewed the March 31, 2021 Treasurer's Summary Report. The Club is showing a profit for the end of the fiscal year with income slightly higher than expenses.

The Club was able to obtain a 5-year interest free loan from John Deere for the purchase of the new tractor.

The details of the Treasurer's Financial Summary reports are posted for Membership viewing at the Clubhouse.

Gun Show: IPP Shubert recommended that we do not use Hangar B for future shows until that hangar is air conditioned. The lack of air conditioning has had a negative impact on table sales and vendor satisfaction. It is possible that SUN 'n FUN may eventually have an incentive to air condition Hangar B as our business relationship and contractual agreements with them evolve. A motion was made, seconded, and passed unanimously to not use Hangar B until it has been air conditioned.

Advertising: Treas. Griffiths reported that an additional billboard will be displayed at the junction of Highway 60 and County Line Road for our May show.

Repairs and Maintenance: G.K. Coleman reported that the Training Range may be opened as soon as next Tuesday.

The installation of the new Trap roofs will begin in two weeks.

The new tractor will be delivered next Monday.

He will be getting estimates for replacing the wooden fence on the rear berm of the 50-yard range. (Most of the fence was blown down during the storm last week.)

Safety Report: Safety Chairman Keefer reported that the Safety Committee had worked with Gary Coleman on the Training Range to determine the target frame height necessary to ensure trajectories at the new target placement distances would impact the relocated rear berm.

The missing sections of the fence on the 50-yard range rear berm has initiated a safety concern when members are shooting on the Skeet Range. To remediate the concern, it was agreed that until the fence is replaced, the Skeet Range will be closed for daily practice/informal shooting. It will be opened only for League shooting when scheduled on Thursday evenings. The 50-yard range will be closed when the League is holding Skeet matches. An email communication will be sent out notifying the membership of these temporary range usage and closure needs.

A committee comprised of George Kloiber, Lester Witman, Allen Keefer, Bob Drake and Paul Thielen will review the Club's safety rules in order to evaluate where updates are needed.

Youth Programs: VP Drake reported that 17 shooters participated in the Youth Program on April 3rd. This was the last offering of the program for the year.

The CoVid control measures implemented during the program events appear to have been effective. VP Drake is undertaking an inventory of the firearms, ammunition and various equipment used in the program.

Dir. Grimes reported that in addition to winning a gold medal for Air Rifle Competition in the Florida State Junior Olympics, it was recently announced that youth shooter, Emma Jean Stanton, had also won a silver medal in Small Bore.

The Club will host the Florida State Junior Olympic Air Pistol Competition next year at a facility Bob has constructed on his property.

Planning Report: Dir. Kloiber thanked all who have helped on the Training Range Project.

Old Business: No old business was on the agenda or discussed.

New Business: Dir. McCall reported that the Rsk Committee will be conducting a review of the Club's first aid inventory and emergency response capabilities.

President's Business: Pres. Ruth announced that member Bill House has offered his services to officially assist Annette Krzus and Josh Bolger during our shows. Bill has been very active in our shows over the years and is experienced in the many aspects of show management. Recognizing that this additional official help will go a long way in helping Annette and Josh manage the many details that need attention before, during, and after a show, Bill's offer was approved unanimously.

A motion was made, seconded, and passed unanimously to approve the appointments of Beverly Lyon and Lois Shultz to the position of Club Historians. Their consulting contributions will be invaluable in preserving historical perspective and knowledge, which will be particularly valuable in light of the fact that all of the Club's records prior to 2011 disappeared back in 2016.

A dedication ceremony is being planned for the reopening of the Training Range. A motion was made, seconded, and passed unanimously to dedicate the range to Jason Hibbard, Jack Martin and the late Dee Miller for their contributions in taking this range from a concept to a reality.

Meeting Adjournment: With no further topics introduced, or agenda items to cover, a motion was made, seconded, and passed unanimously to adjourn the meeting at 8:13pm.

Respectfully submitted,

Paul Thielen / Secretary

SHOOTER'S CORNER 1

Pistol Match

The fourth pistol match of 2021 was held under great weather conditions. Safety protocols were emphasized in the pre-match meeting. A surprise VIP appearance by Gary Coleman motivated the shooters as he reminded them of the rescheduled, and upcoming, work party on 4/18. 😊

Two each, paper silhouette and 20/60 paper pin matches, were fired by each of 12 shooters. The shooting started at 8:45am and ended one hour later. The 48 score cards were ably processed by Diana Eyman - miscreants who failed to fill out the score cards properly were immediately chastised. Recidivism rate should be zero. The firing line was ably handled by Allen Keefer, Lester Witman and Herb Bates.

Match was 25 yard combo. Each match had 20 rounds fired via 5 shot strings split between 20 second and 10 second times. The silhouette match used scoring rings, the paper pin match was hit or miss using a 2" circle for 'X' counts. This combo is popular and will be used for the May 8th match.

Match winners, left to right: Ramon Recto, Bill Miller, Margaret Clark, Pat Clark, Richard Eyman, Mike Fulbright, Shawn Maguire and Charles Knight.

Summer Fun RFBR Match

We had a great turn out for our first 2021 Summer Fun RFBR Match. There were 5 perfect scores of 600 points.

Bob Carow competed with a Hubalek barreled Ballard, the action made in the 1880's, and barreled by Arthur Hubalek in the 1930's. Scoring 593-33x with only a 15-power scope. Show us the way with antique single shot rifles Bob!

We had 3 Blue Cards that are great shooters. As such we recognized them with awards in the Blue Card division.

Bill Miles was shooting 3 or 4 different rifles, just trying different things and having FUN.

Don Sharp, our caller, was his own erasable self as usual. We love you Don!

A BIG THANKS to David Mounsey for helping score.

We are going to continue the Antique Class using our Midnight Moonlight targets. So get your antique Single Shots out and let's have some fun. ALL OF US ARE ANTIQUES ANYWAY!
